

(1) Intro - (Replaces Will Fondle) He can be in the next episode! I'm Chris P. Souls
Demi Overlord of the Underworld.

(2) Intro - Guess who?! Heh heh heh

(2) Intro - Hi there - I'm back! We're running a special right now... two wishes for the price of one soul. One little drop of blood gets you two of your wildest dreams - act now and get a third wish if you bring a friend along!

(1 or 2) One Liner - I'm here because I REALLY enjoy irritating my "friend" Death. I just love getting under his skin heh heh heh

(2) One Liner - What have I been doing since the last show? I've been (giving back to)(I prefer) "working" the community. I help in a soup kitchen. I bring toys to playgrounds and schools. You'd be amazed how many consenting signatures I get for a hot meal or the latest electronic gizmo!

(1) One Liner - I've been looking at the digital market. You'd be amazed at what you can hide in the terms and conditions of an app that makes a burp sound whenever you press a button. And it turns out an electronic signature works just as well as a drop of blood. I just love legally binding contracts heh heh heh

(1) One Liner - When I, Chris P Souls, acquire you - I'll make you hotter than the Ninth Circle of Hell! (irony - that one is the frozen one... tee hee!)

(1 or 2) One Liner - I'm told I've got a great sense of humor. I'm always up for a good roast.

(1 or 2) One Liner/Exit - What am I looking for in a match? Someone with a lotta soul.

(2) One Liner - I'm here because (you have)(or)(there's) something (here) I want.

(2) One Liner - Once in a while a stray demon gets loose and has these visions of grandeur of birthing the next overlord blah blah. One by the name of Dee Monique recently got loose and I've tracked him here. I intend to get him back. Can't have my little bastards getting loose like that.

(1) Exit - With Chris P Souls, you are guaranteed the never-ending date of your dreams - If you would be so kind as to give me your signature! Just sign here... oh, and in blood, if you please.

*(Maybe do a variation where Angel signs and immediately dies and goes to hell)

SPLIT IN TWO

(1) One Liner - Yep, if you allow me, Chris P. Souls, to acquire you, you will be dating the true King of Hell... uh... the lord of Hades? What did I call myself earlier? Maestro Hells Bells? Hell-o Dolly? Oh yeah - Demi Overlord of the Underworld, that's me.

(1) One Liner - Just sign at the bottom - yeah, there, under all that fine print - and I promise you eternal... uh... bliss. Just one little prick (look down) or in my case, a huge prick, and sign up for the deal of a lifetime... and then some.

(1 or 2) One Liner - (takes call) Lucy! Great to hear from you! (pause) Lucifer, yes. Yes, sir. Hoof polish and starched collar on the cape, yes. Right away. (hang up) That was... a wrong number. Weird, hey? So, are we almost done here?

(1 or 2) One Liner - Death? Doesn't ring a bell. Oh wait! Yeah, I remember him. Little Ferry Guy, right? Used to work out on the Styx. Always wondered what happened to him after people stopped putting coins on corpses eyes and he lost all of his income.

(1 or 2) Do you have a demon inside you? (Sensually) Would you like one!

(Possibly do one saying something about Dongula and needing to be in her finery or something. Maybe that they could make a good duo or something)

One Liner: Georgia. (shakes head) That crappy fiddler. Everybody asks me about Georgia - like I'd ever show up there. Hell, nearly every one of the racist fuckwads down there are headed my way anyhow!

(Suggestions for the TV episode) Is it getting hot in here or is it just you? Or just me? Or just... (leer) us? Oh, Empress, I'm impressed with the extent of your evil! Do you have any demon in you? Would you like some?
