Bachelorette number one... What do

**SUE SHEE**

I was a beautiful mermaid before my  
lake had toxic radioactive sludge  
dumped into it killing everything.

Ro Entgen reacts and tries to cover her face and  
inconspicuously look away to hide her guilt.

**SUE SHEE (CONT'D)**

I've since mutated and become a  
Rusalka. I'd love to take you on a  
tour of the bottom of my lake. I  
promise you, once I show you around,  
you'll never leave.

12 **INT. MAIN CONTESTANT SET**

12

Death and Ray D'Yates are sitting on their chairs.

**RAY D'YATES**

I guess you could say I'm in the  
middle of a career change too.  
Actually, I'm between jobs. I worked  
as a janitor at the Wyatt Leakes  
Nuclear Power Facility. At least  
until I blew one of the reactors up.  
By the way, sorry about that everyone.

Ray D'Yates chuckles and snorts.

13 INT. GAME SHOW SET 13

Sheneedza Slapp is sitting on her chair and reacts to Ray D'Yates' admission.

**SHENEEDZA SLAPP**

16 INT. MAIN CONTESTANT SET 16

Death and Ray D'Yates are sitting on their chairs.

**RAY D'YATES**

I caused the meltdown of reactor number one, yes.

17 INT. GAME SHOW SET 17

Sheneedza Slapp is sitting on her chair.

**SHENEEDZA SLAPP**

You jerk! I was going to blow that plant up myself, but it exploded just as I got there! I'm telling my daddy on you!

Sue Shee, Sheneedza Slapp, and Ro Entgen are sitting on their chairs.

**RO ENTGEN**

You know, you hippies make me sick!

**SHENEEDZA SLAPP**

Are you sure it isn't this toxic haze from the crater of what USED to be your power plant that you apparently couldn't manage?

(CONTINUED)

17 CONTINUED:

17

**RO ENTGEN**

(Angry)

I'll be getting the last laugh. You  
and your daddy will be broke soon.  
The future is nuclear. Oil is a  
dying industry.

**SUE SHEE**

(Distraught)

There was an oil spill in my lake  
too!

Sheneedza Slapp is now the guilty looking one and tries to  
inconspicuously look away to avoid being blamed.

**RO ENTGEN**

What I did to you?! You blew up my  
damn plant!

22 INT. MAIN CONTESTANT SET

What?!
- 30 INT. MAIN CONTESTANT SET 30

- RAY D'YATES**  
What do you like to do for fun?
- 31 INT. GAME SHOW SET 31
- Sheneedza Slapp is sitting on her chair.
- SHENEEDZA SLAPP**  
I like to travel like a lot. But, I  
make sure I don't leave a carbon  
foot print anywhere I go. Instead  
of walking and leaving foot prints,  
I either drive everywhere in my SUV,  
fly around in my private jet, or  
travel the countryside in my antique  
coal powered locomotive my daddy got  
me for my birthday.
- Sue Shee, Sheneedza Slapp, and Ro Entgen are sitting on their  
chairs.

34 INT. MAIN CONTESTANT SET

34

Death and Ray D'Yates are sitting on their chairs.

**RAY D'YATES**

After you failed the safety inspection  
at the plant for dumping toxic waste  
in the nearby lake, you pinned the  
blame on me to save your own ass.  
Why do you think I blew up the plant?

35 INT. GAME SHOW SET

35

Sue Shee, Sheneedza Slapp, and Ro Entgen are sitting on their  
chairs.

**SUE SHEE**

You're the bitch that killed my lake?!

**RO ENTGEN**

Yes, but I had a really good reason  
for it.

(Beat)

They paid me a lot of money!

Sue Shee is shocked.

**RO ENTGEN (CONT'D)**

At least I didn't gum up the lake  
with the oil spill Sheneedza's dad  
caused!

Sue Shee is even more shocked.

**SHENEEDZA SLAPP**

But there was a reason why we never  
cleaned it. It would have cost us a  
lot of money and well, I have a lot  
of expenses, like coffee and makeup  
and jet fuel...

Sue Shee, Sheneedza Slapp, and Ro Entgen all start pointing  
fingers at each other and begin arguing with each other.
