P013
CANDI WITH AN I is standing in MAYA BUTTREEKS's usual spot. Maya Buttreesks walks into the shot from the other side of the set and looks shocked and disgusted that Candi with an I is there. Maya Buttreesks looks around asking everyone off camera...

MAYA BUTTREEKS

What is THAT doing here?!

Candi does not look impressed.

CANDI WITH AN I

Haven't you heard? This is MY corner now BITCH! I've been hired to replace you!

MAYA BUTTREEKS

Not if I have anything to say about it!

They start having a slap fight.

P014
Maya Buttreesks and Candi with an I are pulling each other's hair. They are both screaming in pain. Maya Buttreesks sucker punches Candi in the gut, knocking the wind out of her. Candi with an I drops to the ground out of the shot. Maya Buttreesks then repeatedly kicks Candi with an I (which the audience can't see the impacts). Maya Buttreesks continues to kick Candi with an I while she says the line below.

MAYA BUTTREEKS

This is MY job and NO one is going to replace me or take me away from MY Deathums! Got it?!

Maya Buttreesks lands a final kick. With no more movement, she stands there looking down and then at the camera and appears to be out of breath.

*P015 CONT'D***CANDI WITH AN I**

Don't YOU walk away from me! I'm
not finished with you yet.

Candi with an I causes Maya Buttreesks to fall to her knees and then wraps her black feather boa around Maya Buttreek's neck. She is being strangled by Candi with an I's boa.

CANDI WITH AN I (CONT'D)

Who's your daddy now? Bitch!

MAYA BUTTREEKS

(Struggling to speak)

It's definitely not Papa Woody since
he's all yours!

That angers Candi with an I even more causing her to intensify the strangulation. Maya Buttreesks collapses on the ground under the frame and Candi with an I starts body slamming her repeatedly. After a few slams, Candi with an I stands up out of breath and looks at the camera.

Death is sitting on his chair and eating popcorn. He is completely engrossed in the fight. There's breaking noises, shouting from both Maya Buttreesks and Candi with an I and then a large cracking noise Death reacts to, jumping back in his seat in surprise. Death chuckles.
