Officer Neil Anblomi and Papa Woody walk into the shot. Neil stops on the left side of the frame and Woody stops on the left. He hands the cuffs back to Neil and begins rubbing his wrists.

**PAPA WOODY**

Phew! That was close. A couple more seconds and I would have been stuck with one of those bowsers.

**OFFICER NEIL ANBLOMI**

Do you think she recognized me?

**PAPA WOODY**

Who Candi? She's never seen you at my strip club and I don't think she even paid attention to you in court, so I don't think so.

**OFFICER NEIL ANBLOMI**

Good.

**PAPA WOODY**

Well, thanks for coming through for me again. You always seem to get me off.

Woody realizes what he just said and they both awkwardly look at each other.
