CHRIS P. SOULS is watching a news broadcast. HEAVENLY BUTTREEKS is chained and is just quietly sobbing. Chris P. Souls listens to the news broadcast.

NEWS ANCHOR

...In what is becoming a rather strange phenomenon, people have just stopped dying! It doesn't matter what the cause is, but even those who suffered what should have been fatal accidents have been able to carry on with their every day lives, completely unaffected.

CHRIS P. SOULS

Well that can't be good!
(Beat while he thinks)
Maybe I should have read the fine print in the spell book before I used it to draw up Death's contract.

(Beat while he looks around)

Where is that damned book? I'm sure I left it around here somewhere!

CHRIS P. SOULS looks really bored. HEAVENLY BUTTREEKS is chained and is just quietly sobbing.

CHRIS P. SOULS

(Unimpressed)

Oh for Devil's sakes Heavenly. Can't you do something other than just sobbing? It's even bringin' ME down!

Heavenly Buttreks does not react to Chris P. Souls at all and just continues to sob. Chris P. sighs.

CHRIS P. SOULS

(Under his breath)

Ugh. You're boring.
