INT. DEATH'S MAKEUP ROOM

11103 + 11103A

3

Death is sitting at his makeup table and is facing away from the camera. He is hunched over and sobbing. An over the shoulder shot reveals he is holding an engagement ring. After holding and looking at it for a few moments, he puts it back in the jewelry box and closes the lid. He then looks over at a portrait of him and Heavenly Buttreesks together. A portrait of Winky (his dead horse) is also framed and off to the side. He picks up and tenderly caresses the photo. There is a knock on the door which gets Death's attention.

The lights flicker briefly which Death finds odd. He stands up from his makeup table and the camera begins to follow him as he heads for the door. The camera stops panning when a chair containing HEAVENLY BUTTREEKS' CORPSE comes into frame. The camera slowly zooms in on the corpse.
