**"THE "****FADE IN:****1 INT. MAYA'S DRESSING ROOM****1**

The bathroom is empty and the **SISTER WHYVES** (looking normal) walks in. She spots the stuff on the counter. She approaches the counter.

**SISTER WHYVES**

Oh, good lord. What do we have here?

Dee Monique flies into the room and quickly possesses her. **SAWYER KILLING** walks in and sees Sister Whyves. He puts on the charm and becomes the sleazebag that he is.

**SAWYER KILLING**

Oh! Hello my dear. I wasn't expecting to find anyone here. I guess it's my lucky day. What brings a **SEDUCTIVE** virgin such as yourself to a dating game show?

**SISTER WHYVES/DEE MONIQUE**

I'm looking for a man to fuck this puny human vessel and impregnate it so we can overthrow the current demi-overlord.

**SAWYER KILLING**

Um... Sounds ambitious and kinky my dear. Since the date I had secured from the show suddenly passed away, it appears my schedule has opened up. Shall we partake in the festivities in one of the finest stalls this facility has to offer?

**SISTER WHYVES/DEE MONIQUE**

What are we waiting for?!

**SAWYER KILLING**

After you.

As the nun walks off screen, Sawyer Killing with a big grin pulls out a condom, looks at the camera and holds a finger up to his mouth as in to quiet the imaginary audience. He follows the nun off screen. He calls out to the nun.
